2017 RATE SCHEDULE

Board with Training

\$1130/month

Horses are typically worked five days per week, Tuesday through Saturday. Workouts are varied throughout the week depending on the individual horse's needs and abilities. The horses may be driven, ridden, long-lined, bitted and lunged. Pasture turnout is occasionally available based on individual needs.

Sales and Purchases of Horses

In consideration of the time and effort required to match suitable horses with riders, a commission of 10% of the purchase/sales price will be earned for both buying and selling of a horse.

Lease Horses

Horses may be available to lease on a first come, first serve basis with approval. No separate or additional lease fees are added. Horses must be kept in full training for the entire duration of the lease. Shoeing, routine vet care, insurance and normal expenses that would be associated with keeping/showing the horse are also required.

Farriers and Veterinarians

Stolen Aces Farm uses the top farriers and veterinarians around. Veterinary services for vaccinations, Coggins, deworming and dental care along with regular farrier services will be scheduled. Providers will bill the Horse Owner directly and Horse Owner is responsible for payment of these services.

Blanketing Service

Your horse is blanketed and/or unblanketed daily according to the weather. This service is included for horses in training.

Nikki Bell, Instructor - nikki@stolenacesfarm.com - 425-359-5313

Supply Proration

Shared expense will be charged every 90 days for tack repairs, liniments, hoof care products, fly spray, clipper blades, detergent, shampoo and all other necessities for a functional, working and healthy horse.

Late Payments

Payment for board and training is due on or before the first day of each proceeding month. Late payments will be subject to late fees. We have zero tolerance for late payments.

Notice

A 30-day notice is required in writing for all horses prior to their departure. If a 30-day notice is not given, you will be charged your regular rate for that 30 days regardless of whether the horse leaves or not. Horses are not permitted to leave until all accounts have been settled.

2017 SHOW FEES

Show Day Care

Each horse will be charged \$150/day that they are at a show, or en route to or from a show, plus one additional preparation day. Day fees help to offset the cost of extra hours for employees, extra contract labor, extra supplies, lumber, stall curtains and care of the horse while at the show, etc. The day before we leave for a show are spent preparing your horse: clipping, tail washing, sanding feet, tack cleaning, etc. and packing for the show.

Tack & Extra Stalls/Bedding

This includes stalls for getting your horse ready, changing rooms for riders, tack rooms etc. Usually one extra stall is purchased per horse. If more or less stalls are needed, they are divided per horse and billed at cost. Bedding purchased at the show is prorated per horse.

Braiding

Billed at cost. Payment due prior to end of show.

Hotel/Travel Expense

This covers the cost of the staff to attend the show. Prorated per horse and billed at cost.

Show Leases

Lesson horses may be available to take to shows during the year. Talk to Trainer about availability and cost. First come, first taken.

REMEMBER

Communication between Trainer, Instructor and Client is the key to greater success. If we do not know your goals, we cannot do our job properly and make you happy and successful.

Stolen Aces Farm

LESSONS

Horses provide us all with an opportunity to be excited and passionate about an activity. They help teach responsibility and empathy toward caring for another being. They provide exercise, improve balance, and give a sense of accomplishment and self worth that comes from achieving small goals every day. We teach our horses and students with smiles and positive reinforcement.

Lessons are available throughout the week, Wednesday through Sunday. All lessons are to be pre-scheduled with Instructor. Payment is due prior to riding. Students are encouraged to take advantage of package rates. Stolen Aces Farm accepts payment via PayPal.

Long pants and hard-soled, closed boots/shoes with a heel and a helmet are acceptable attire. Used attire may be available for a limited time to new students. Regular students are expected to own their riding apparel.

All students must sign the Stolen Aces Farm Lesson/Riding Agreement and Release of Liability prior to riding. All minors must be accompanied by parent or legal guardian unless alternative arrangements have been made. **ALL STUDENTS TO ABIDE BY ALL POSTED RULES AND REGULATIONS.**
